Stand Build Management for Food & Drink Brands

Why PS8 Create?

PS8 Create is our dedicated bespoke stand build management service designed specifically for Food & Drink exhibitors. With years of experience in the industry, we understand the nuances of food shows – the venues, organisers, logistics and most importantly what makes your brand stand out. Whether you're exhibiting in the UK or overseas, we ensure your presence looks professional, consistent, and on-brand.

Food & Drink Experts

We live and breathe food and drink events — we know the venues, organisers, and audiences better than most.

Experienced, Friendly Team

You'll work with a small, passionate team who know exhibitions inside out. Clients love our hands-on, reliable approach.

Consistent Brand Experience

Exhibiting at multiple shows? **We'll help you** deliver a consistent, recognisable stand presence across events.

UK & International Coverage

Whether you're in Birmingham or New York, we can deliver your build where you need it.

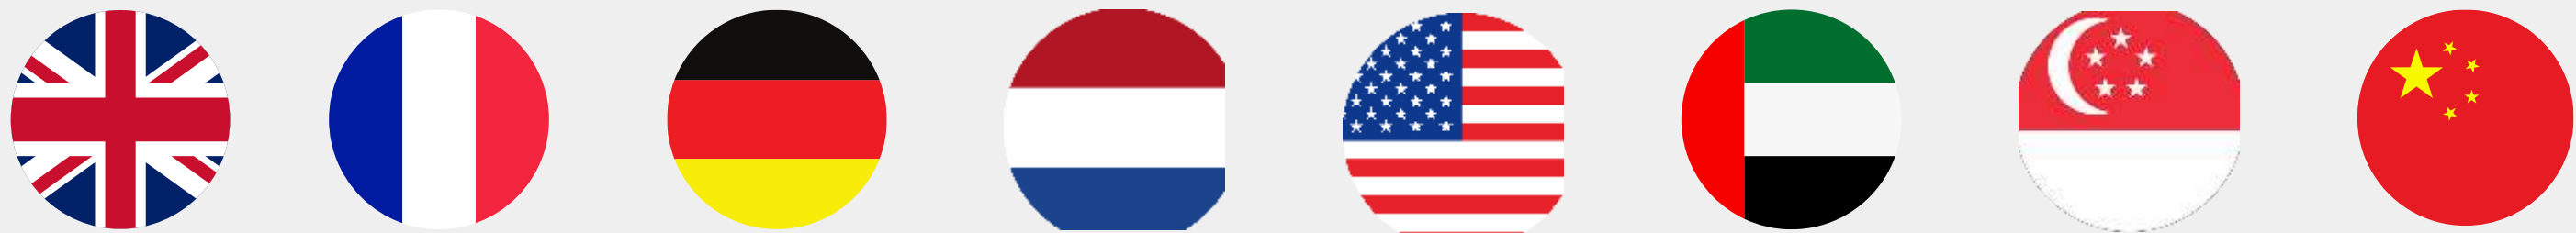

Complete Project Management

From design and logistics to build and breakdown, we handle it all — **so you don't** miss anything important.

Exhibiting in the UK or further afield? We've got you covered

Whether you're heading to a local show or expanding into new markets abroad, PS8 Create ensures your stand is delivered to the same high standard — anywhere in the world. We've built stands for food and drink brands in:

We manage the full process from the UK	Our trusted local partners deliver your stand on-site	You work with one experienced project manager	We handle the build coordination, orders, build regulations, and timelines	Reuse of graphics possible in Europe to save time and cost	We ensure your stand looks and feels consistent across every market
